

CONTINUING EDUCATION OF THE BAR ■ CALIFORNIA

Dear Customer,

Due to the high number of revised sections in the 2025 update of **California Estate Planning**, the book has been printed in its entirety. As in prior years, your 2025 Update is provided to you at a discount from the full book price.

The enclosed update package includes all the pages of the book. Blank pages, point pages, and slash pages have been removed. Please remove all the pages from your existing binders and replace them with the pages enclosed. Be sure to retain the existing tab dividers.

If you have any questions, please call our Customer Service department at 1-800-232-3444 or e-mail Customer_Service@ceb.ucla.edu.

We appreciate your continued confidence and remain your partner in practice.
