

CONTINUING EDUCATION OF THE BAR ■ CALIFORNIA

Dear Customer,

This year **California Probate Workflow Manual Revised** is changing to 6x9 looseleaf from 8.5x11 looseleaf. As you may have heard, CEB is updating its publishing technology and doing full reprints of looseleaf titles. This makes it a good time to update this well-respected, workhorse title to the size and style of other titles in CEB's library.

If you have any questions, please call our Customer Service department at 1-800-232-3444 or e-mail Customer_Service@ceb.ucla.edu.

We appreciate your continued confidence and remain your partner in practice.
